Presencial - DNA Cascais

Atividade Experiencial de Liderança
por: João Prata, 5Ps

Formador em desenvolvimento de competências comportamentais e de gestão.

4. Main Challenges & Solutions

Main Challenges

Solutions

1. Complex application processes

1. Clarification sessions / follow up with the candidates.

2. Little flexibility to create application announcements

2. Bringing together urban LAG in Lisbon region to create common proposals

3. Reduced capacity to analyse reimbursement requests

3. Closer articulation between LAG's and MA to facilitate its analytical work.
